Metal end caps available in SS/BL only. Call for pricing.

Any frame specifying F1 thru C4 requires a drawing showing end cap placement.

IMPORTANT ORDERING NOTES:

- When ordering specify Part No and length wanted (for example 229-08, is a 2 1/2" x 8" frame)
- When ordering with specific Frame Options, simply add suffix to the end of the Part No (229-08L, is a 2 1/2" x 8" frame with lens)
- Max length extending from the wall on a Flag Mounted Frame will vary with Part No. Please contact us with Flag Mounted frames exceeding 12" in length - Please supply a drawing for Flag Mounted Frames to insure accuracy
- Custom End Cap Width from 8" to 24" is available
- First number denotes end cap size (for example a frame that is 10" x 2" would have a 10" end cap and arc)
- Accommodates 1/16" engraving material
- Accommodates .060 lens or .030 lens
- Pricing includes end caps and screws, not assembled (frames may be assembled for a nominal charge)
- Holes are not standard - please request on order to have holes. No extra charge
- Extended lead time is required for special colors
