

EURO SIGN SYSTEM

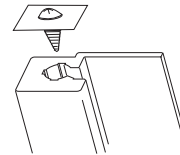

Examples:

Holds 1/16" Inserts

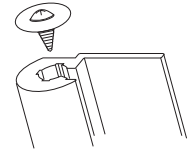

Sign assemblies are stacked to create mini directories which round out the Euro Sign System.

Specially designed machine screws lock the entire group of sign assemblies in place. Simply remove the top screws and slide sign assemblies out for a quick change. Screw holes are tapped for repeated use. Vertical dividers are used for multiple columns.

218 Square

220 Round

Prices are for frames up to 100 perimeter inches. Please request a quote for larger frames. Frames may be subject to crating charges. Maximum frame size is 39" x 36".

See price list for current pricing and quantity discounts.

Frames are to be ordered by inside dimension.

All frames are made to order. Custom sizes available. Non-returnable
