

# PREMIER PLUS

Precision mitered from an extrusion of premium alloy in four professional styles: Beveled, Quarter Round, Boxed, and Quarter Inch Solid, this sign system is a top of the line favorite.

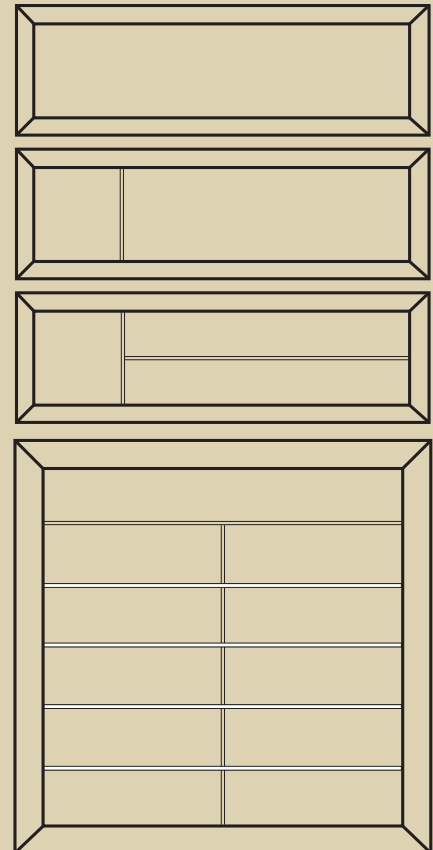

- Nine rich anodized colors are available in all four styles: Polished Silver, Satin Silver, Polished Yellow Gold, Satin Yellow Gold, Polished Rose Gold, Satin Rose Gold, Arch Bronze, Matte Black, JRS Bronze.
- Seven powder coat finishes are available: Medium Gray, Pewter (light gray), Black, White, Almond, Brown, JRS Bronze and Arch Brown. Lenses not available with powder coat finishes.
- Each frame style is available with either a 3/16" or 5/16" inside depth. Inside depth must be specified when ordering.
- Frames are designed for mounting with double-sided tape or silicone adhesives. Holes will be provided only upon request.
- All frames are available with optional matte black metal inside, suitable for changeable magnetic signs for an additional cost. See price guide.
- Lenses are laser cut from semi-flexible .060 or .080 non glare acrylic and are designed with tabs that snap securely into frames.
- Lenses can easily be removed by using a suction cup placed in the center of the frame. \*For lens pricing, please refer to pricing book. Maximum lens size is 200sq inches.
- Minimum size 2" x 4", Maximum size 36" x 36" for frames and dividers.

Please specify part number, inside dimension, inside depth, and color. Prices are for frames up to 100 perimeter inches. Fax for special quote on frames of 100 perimeter inches or greater. Frames may be subject to crating charges.

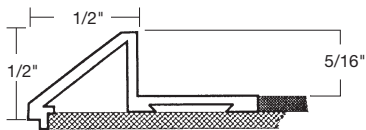

All holders and frames can be combined for quantity discounts.

Premier Plus Frames are available with standard 1/8" or custom 1/4" dividers in vertical or horizontal positions. Divided frames should be ordered by giving the inside dimension of each section and the overall inside dimension of the frame.

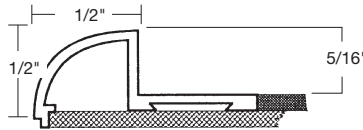

- 2" divider minimum
- 1/8" standard divider on all frames except quarter inch solid
- 1/4" standard divider for quarter inch solid

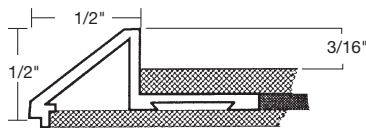

See price list for current pricing and quantity discounts.

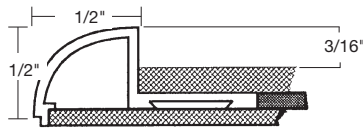

2020 Beveled

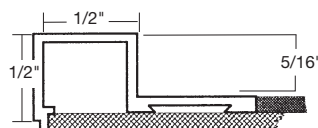

2030 Quarter Round

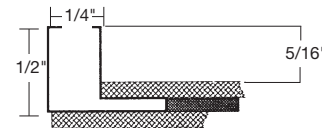

2040 Boxed

2050 Quarter Inch Solid

Masonite

**HELPFUL ORDERING INSTRUCTIONS:** When ordering, specify inside dimension of frame, inside depth, and color. Divider frames are priced by adding the linear-inch of dividers, multiplying by per inch price, and adding the total to the perimeter price of each frame.
