

PREMIER FRAMES

Precision mitered from an extrusion of premium alloy in three professional styles – Beveled, Radiused, and Boxed – makes this sign system a top of the line favorite. Each style has several features that make professional signs simple:

- Each frame is designed for complete support of 1/16" sign material.
- Nine rich anodized colors are available in all three styles: Polished Silver, Satin Silver, Polished Yellow Gold, Satin Yellow Gold, Polished Rose Gold, Satin Rose Gold, Matte Black, Arch Bronze, and JRS Bronze.
- Minimum size 2" x 4". Maximum size 36" x 36".
- A trough 1/2" wide runs the entire inside perimeter of each frame which accommodates adhesive-backed 3M DUAL LOCK or Sign Snap so that a tamper-resistant plate snaps in and out with the use of a suction cup.
- Frames are designed for mounting to wall or door with double-sided tape or silicone-type adhesive. Holes will be provided upon request at no extra charge.
- Powder Coat finishes available.

Trough for 1/2" 3M DUAL LOCK or Sign Snap
